

Come Swing Yer Partner **(No partner or swinging experience required!)**

Next Friday, November 21st, the **BIG DITCH CRICKETS** from Silver City bring their enthusiasm and excitement to the stage. Made up of 14 band members, their main focus is to play good dance music for our community to dance. Their motto is "**EASY and SATISFYING!**" and there is a lot of fun and joy in the music they play. Our dance hall is a nice venue with a great wooden dance floor, plenty of parking, and refreshments.

We have done a major outreach and invited lots of folks to the dance this month, and expect to fill the hall to the rafters. Come make it happen. If you think you can't dance, you CAN!!! And it is so much fun. No partner needed, you will change partners every dance.

Visit the web at www.snmmds.org. Details: 7:30 pm for lessons, dance 8 to 10:30 pm, Mesilla Community Center, 2251 Calle de Santiago, Mesilla; \$6 (\$4 for under 18). Attached is a photo of the Big Ditch Crickets -- see all of those big smiles!

See you soon.
