

Southern New Mexico Music & Dance Society

Last month's Hawaiian-themed contra dance – everybody got into the spirit. What fun! More pics at the end.

Join us again THIS FRIDAY, September 16th

LEWIS LAND and the LITTLE TABLE CONTRABAND

We are always excited to welcome **Lewis** back to call dances. His style is enthusiastic and entertaining and we look forward to his calling each year. In fact, he is high demand here in New Mexico, calling in Albuquerque and Santa Fe in the next few months as well.

Little Table Contraband can be seen all around the region playing in different guises and music styles. You can find them on the patio of the Spotted Dog every Wednesday, plus most other music venues.
